Colonial Schools Carnival

SUNDAY, MAY 7, 2017 1:00 p.m. - 4:00 p.m.

The Colonial Schools Carnival is the largest annual fundraiser for Colonial Schools. The fun filled carnival at Berkeley Square will bring together 400 parents, kids, grandparents, Colonial residents, and neighbors for an afternoon filled with games, pony rides, a bounce house, food and a terrific family atmosphere. The money raised will benefit the school's educational supplies and programs.

Colonial Schools has a long tradition of helping pre-schoolers begin a successful educational career. A unique aspect of our setting on the grounds of a retirement community is the intergenerational programming we build into the educational experience. For over 30 years, this cross-generational friendship has allowed children to develop a respect and understanding of older adults while their grand-friends are given the joy of a child's company.

Target Market: *Families with young children, their grandparents and other relatives; community members, and residents and their guests.*
