It's hard to believe that we are in the last month of school, May is here! This month will pass very quickly as we will be discussing and holding our annual Carnival, Sunday May 7, 2017 from 1:00 – 4:00 at our Berkeley Square campus. The Carnival will be so much fun, so please make plans to attend as you won't want to miss all the excitement.

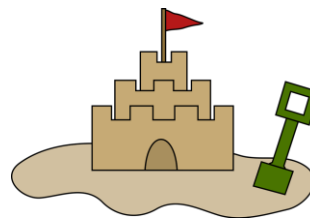

We will continue the month talking about creatures under the Sea, Camping and Ponds and summer safety. We will end the month with a picnic at Hanover Park accompanied by our parents, what fun!

We will add fishing poles and plastic fish to our water table so that we can fish at the pond. During under the sea, we will add creatures that we would find in our oceans and lakes.

In our Art center, you will find foam sea creature stickers and pipe cleaners to make fishing poles for our campground pond.

We will add calypso music to our Music Center with the steel drum to get a real feeling of summer. We will also be singing campfire songs.

During carnival week we will have a popcorn sales person in dramatic play to sell us some delicious goodies. For summer safety, we will also add kickboards, towels and sand buckets for fun at the beach!

It's amazing to us that this school year is almost over and we feel that we have been blessed beyond measure with your wonderful children. Have a happy and safe summer. We hope you all join us this summer for exciting camps every week!
