

May Classroom Times

Pre-K Classes

Miss Potter

Mrs. McGuire

Mrs. Rich

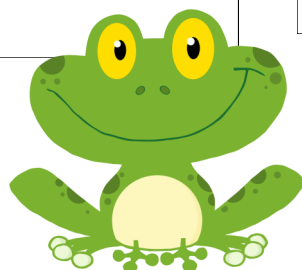

We are gearing up for Carnival! In the classrooms, we will be learning about carnivals and circuses. What is your favorite carnival game? What is your favorite carnival food—popcorn, peanuts, hot dogs? What might you see at a circus?

As the weather is getting warmer, we will be looking at life at the beach, on the beach and under the sea. We are planning and prepping for our “trip to Hawaii”. Get your child’s Hawaiian clothes or beachwear ready for this day of fun!

Spring is here and the frogs are out! If you live near a pond or stream, you have probably heard them. We will be learning about the life cycle of a frog from tadpole to adult. What other creatures might you find around a pond or stream?

This year has gone by so fast! It’s hard to believe the end of the school year is here. Our last week of school we will discuss summer safety and finish the year with our class picnics. Thank you to everyone for sharing your children with us. Have a wonderful summer and stay safe!
