

September Classroom Times

Pre-K Classes

Mrs. Rich

Miss Potter

Welcome back! We are getting the first week under our belt and it has gone smoothly. Fall is one of our favorite times of the year! There are so many fun things to do and learn. Please make sure you check your child's blue take home folder daily for notes and special announcements! If you have any questions, please contact your child's teacher or call the office. Thanks for choosing Colonial Schools!

Block Center

Each center is being open slowly so the children learn to play and clean up the correct way. The block center consists of hard and soft blocks so we can stack and build!

Library

Your child may say he/she visited the class library today. It's a quiet center filled with books and activities to encourage our children to respect books, model reading and cuddle with a stuffed animal or two!

Art

Our art center will be filled with paper, markers, crayons, colored pencils to begin the year! Additional art supplies will be added as the year progresses.

Sensory Tables

Our Sensory Tables are filled with Sand and Water. They are changed out frequently during the year to give your children the opportunity to touch, see, smell and hear what they are playing with!
