

December Classroom Times

PRESCHOOL

Mrs. Honegell & Ms. Williams

What's Happening?

It's the most wonderful time of the year! Preschool is excited about December's glowing lights, cheerful music, and special treats! We will be learning about Christmas, Santa, snow, and other fun things related to the happiest season of all!

'Tis the season to be jolly! This month will be full of character building fun as we share about kindness, honesty, compassion, and respect.

Art & Writing Centers

Christmas wrapping paper, letters to Santa, snow globes and presents for our families! These are a few of our favorite things that we will be working hard to make this December!

Math & Science Centers

Playing with "snow," counting ornaments, looking at candy cane patterns, and making winter bird feeders will be a terrific way to bring the winter holiday season to the classroom.
