

January Classroom Times

Pre-K Classes

Miss Potter

Mrs. Rich

It's a brand new year and we are ready to start 2018! We hope everyone had an enjoyable holiday break. January will be filled with lots of fun activities as we try to stay warm and toasty! We will be discussing winter as well as the different animals we see this time of year. We will also be talking about staying healthy and ways to keep from getting sick. We will also introduce a new unit this year—Space!

Science & Discovery

We will be learning how to wash our hands properly and finding out what happens when don't use soap to thoroughly clean them.

Art Center

Art center will be filled with fluffy white snow (cotton) to make igloos, mittens, sweaters, and things to keep us warm. We will also have blue and white paint to make beautiful winter scenes.

Dramatic Play

Our dramatic play center will include all kinds of warm clothes such as mittens, hats, scarves, and snow boots. There will also be doctor's kits to help us stay healthy. We might add some pom poms to cheer for our class on Spirit Day—January 10th. Wear your Colonial gear!!

Library

The library will be filled with all kinds of winter books. We will have a chance to read both fictional and non-fictional books to learn all about winter animals!
